

Children's Art Parties!

Looking for a special party for your child's birthday or school group? Whatever the occasion, Art Works will provide a party to remember! We supply the creative space, art activities and a professional artist to facilitate your party. All you need to do is bring the children and supply the goodies (snacks, cake, beverages)!

The Party Plan:

- **Guest Arrival & Artful Scavenger Hunt (about 20 minutes)**
Once all your guests have arrived, the group will take a fun tour of the art center and look for some hidden items in the gallery while learning a little about the art and gallery etiquette!
- **Art Project Fun! (about 50 minutes)**
One of our professional artists will guide the children, step by step, in a fun art project! Each child will create his or her own artwork to take home and enjoy. Projects are listed below, and you can even request a custom-tailored art activity for any theme or interest you can imagine!
- **Party Time! (about 50 minutes)**
Here's where you take over. In one of our galleries, the children will enjoy the cake and snacks you bring, play any games you have planned, and if it's a birthday party, open presents!
